

The ACADEMY REPORTER

THANK YOU AND WELCOME

To those of you who have gone out of your way to let me know of your support as I settle into this new position, thank you so very much.

It has been an interesting month with many changes here at the academy. We have bidden goodbye to Theresa LePage, Bob Pickett, Darrell Herring, and Annie Brinkman. We ask God's blessing upon them in their new endeavors and thank them for all that they have done. We welcome Richard Enlow and Jeremy Maker into the high school and thank Linda Frausto for moving over to help us in the elementary. Please pray for them and for our returning staff that God will make this year for them a fruitful ministry.

I feel like we have had an excellent start to this year. The students have been very cooperative and a pleasure to be around. The staff here has made my job so much easier with their willingness to step up and do any job that needs to be done. And I have felt the support of you parents as I endeavor to be what I need to be for your children. Most of all, God has been helping us in our morning prayer meetings, in the chapel and classes. We can do all things through Him but without Him nothing is possible. Hold us up in your prayers. Thanks.

ROOM PARENTS NEEDED

The PTF needs volunteers for room parents. If you can help a teacher coordinate some activities such as birthday parties please contact Louise Martin at (317) 758-1654 or leave a message at the academy office.

SCHOOL PICNIC

Our school picnic will be on Monday, August 30. The school will provide the meat, water, and tea. Each family should bring salad, chips, and a dessert. All students need to meet in front of the Smith Building at 8:00 AM, after which we will go to Forest Park in Noblesville. Any parent not attending the picnic will need to pick their child up at the school by 1:30 PM.

The Principal's Puzzler

A Petri dish hosts a healthy colony of bacteria. Once a minute every bacterium divides into two. The colony was founded by a single cell at noon. At exactly 12:43 (43 minutes later) the Petri dish was half full.

At what time will the dish be full?

REMINDERS

August 30 - School Picnic, Meet at school 8:00 AM

September 6- Labor Day, No School

September 13-19 - Fall Revival, Rev. Barry Whitaker

October 2 - Old Fashion Day
