### From the Principal's Desk

*O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! Romans 11:33*

Have you ever thought about the unusual ways in which God works? It is good to know that God is not locked into a certain way of accomplishing His will. He is a God of infinite variety and able to bring about His plan regardless of any attempt to thwart it. Just look at some of the examples from Scripture.

His birth was in a lowly stable to a poor carpenter and his new wife, both of whom were inexperienced in child-raising. He lived a fairly normal life until He started his ministry at the age of thirty-three. His disciples were a rag-tag bunch of fishermen and misfits. The one most qualified to lead was the one who betrayed Him. His followers seemed unable to understand His true mission; they asked Him to call down fire from heaven on those who were not receptive of Him. Some of them argued about who would be the most important in the soon-coming kingdom that they thought would begin with the overthrow of Roman rule. Imagine their dismay as Jesus was instead nailed to the cross by the very Romans they thought would be conquered. Yet that same rag-tag band were transformed by the infusion of the Holy Ghost and were able to impact all of the known world in just a few short years. *Jeremiah 32:27 Behold, I am the LORD, the God of all flesh: is there any thing too hard for me?*
