

The ACADEMY REPORTER

A Note from the Principal

A Short time into the school year and we are so appreciating the way that God has been moving. I wish you could have the Privilege of being in the chapel services and hearing your children and others testify about how God is helping them. His presence has been felt over and over. In some services we have had no preaching because God moved on hearts and they responded in obedience. Praise the Lord and all glory to Him. The morning staff prayer meetings have been such a blessing as well.

Thank the Lord for the good picnic. Lots of fun and plenty of food. Ummm. Thank you so much for all you brought. There was plenty left over.

We ask your continued prayers that God will continue to move on our students and help them to grow.

The Principal's Puzzlers

Old Puzzler

A Petri dish hosts a healthy colony of bacteria. Once a minute every bacterium divides into two. The colony was founded by a single cell at noon. At exactly 12:43 (43 minutes later) the Petri dish was half full.

At what time will the dish be full?

Answer: 12:44 first given by Jacob Blocher

New Puzzles

1. The age of Tim and Allen is 49. Tim is twice as old, as Allen was when Tim was as old as Allen is now. How old are the brothers?
2. My name is Ruger, I live on a farm. There are four other dogs on the farm with me. Their names are Snowy, Flash, Speedy and Brownie. What do you think the fifth dog's name is?

ROOM PARENTS NEEDED

The PTF needs volunteers for room parents. If you can help a teacher coordinate some activities such as birthday parties please contact Louise Martin at (317) 758-1654 or leave a message at the academy office.
